Hotels are our passion!

Bookkeeping | Payroll accounting | Interim statements | Management ratios

Accounting

Clear and transparent management ratios help you run your hotel successfully and efficiently. Management ratios form the basis for far-reaching management decisions.

Our well-founded expertise and our joy of working in the hotel industry allow us to prepare meaningful management ratios and record your business processes swiftly and conscientiously.

Hotel check-up | Controlling | Coaching | Reorganisation | Tax consulting | VAT consulting

Business consulting

The hotel industry is in a constant state of change. Only those able to recognise current trends and understand complex relationships will be able to be successful in the hotel trade.

We are happy to advise you with considerable personal commitment on how to implement your projects - ranging from starting up your business to succession planning. With our management and tax consulting services we promise you successful, reliable and sustainable solutions tailored to your needs.

Limited and regular audit | Other auditing services | Contractual auditing services

Auditing

Shareholders, creditors and other stakeholders make high demands on financial reporting. These expectations have to be met. In collaboration with our partners we help you to do so with our many years' industry-specific experience and dedication.

An auditing concept developed by us and customised to the requirements of your business ensures that critical issues are identified in good time, thus enabling you to take the required action.

Hotels are our passion!

Passion is the buzz-word in our industry. To run a hotel successfully takes not only a considerable measure of expertise, but also tangible enthusiasm, drive and energy. This passion for the hotel industry combined with experience and competence is what we have in common.

We are your contact for competent accounting, business consulting and auditing services in the hotel trade. All our employees have spent many years working in the hotel industry and boast a wealth of experience in operational, strategic and financial areas.

We look forward to hearing from you
